Query 1

Given the social security number of a professor, list the titles, classrooms, meeting days and time of his/her classes

SQL

- Professor SSN Sample Input: 123456789

```
SELECT      C.Title, S.Classroom, S.Meeting_Days, S.Begin_Time, S.End_Time
FROM        Course C, Section S, Professor P
WHERE       C.Crs_Number = S.CourseNum AND P.SSN = 123456789 AND P.SSN =
           S.ProfSSN;
```

ProfessorSchedule.php - PHP IMPLEMENTATION SCRIPT
